INDIA ISLAMIC CULTURAL CENTRE

**CLARIFICATION REGARDING NOTICE ISSUED TO  
MR. ARIF MOHD. KHAN AND OTHERS.**

Notice was issued to Mr. Arif Mohd. Khan and four others regarding holding of meeting at Islam Gymkhana, Marine Drive, Mumbai on 11.12.2018. Since convenors had put the name of Mr. Arif Mohd. Khan in the whatsapp message, notice was given to him along with others so that he could take necessary action as the IICC was not organizing any such meeting.

The convenors have admitted that it was a typographical error and that has been corrected by way of addressing all the participants who had been given message on the whatsapp about the meeting.

In view of the above, there is no issue left in the matter. Communication to Mr. Khan was issued not for violating any election law but to make him aware of the proposed meeting.
